Dear Sir,

**SESCO's ENGINEERING CIRCULAR NO. 4/2017**

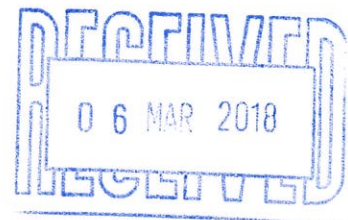

"Replacement of 70W SON street lighting with 100W SON street lighting as standard stock"

Please be informed that effective 24 October 2017, 100W SON street lighting has been used to replace 70W SON street lighting, gradually phasing out the later from this year until year 2020.

All new installations, including estimates for connection charges and replacements of faulty 70W SON street lightings shall use 100W SON street-lightings.

Yours faithfully,

  
Haji Isa@Zaidi Bin Sahari  
For Vice President (Distribution)
